ST. JEROME'S
PRE-UNIVERSITY COLLEGE

DATE:- 28.06.2025

Dear Daksh,

We are writing to express our heartfelt gratitude for visiting St. Jerome's PU and Degree College and delivering an inspiring seminar on financial empowerment and innovation. Your presence and sharing of experiences had a profound impact on our students, motivating them to explore new avenues and pursue their passions.

Your journey, from exploring the stock market at 14 to developing the innovative fintech app Persifolio, is a testament to your dedication and perseverance. The students were fascinated by your story and gained valuable insights from your expertise.

We appreciate the time you took to introduce Persifolio and share your knowledge with us. Your visit was a resounding success, and we are grateful for your contribution to our college community.

Thank you again for inspiring our students and faculty. We wish you continued success in your future endeavors.
